

AMUSEMENTS.

Miss Judith Anderson, another of Utah's singers, made her debut last night in the tubercular in a concert that was decided merit throughout.

Nature has endowed Miss Anderson with all the qualities that a successful vocalist must have—a voice of great beauty and melodious range, musical insight, a sympathetic nature, attractive stage presence and what is the greatest of all—youth. Her voice is full, sweet and particularly vibrant in the upper register.

Her first number was the familiar aria from "Samson et Dalila," by Saint-Saens, in which she produced clear, ringing tones in the upper register; deep, rich tones in the lower. Her interpretation of the difficult number was gratifying, although its rendition was rather uneven, which was possibly due to nervousness, for her first appearance was rather a trying ordeal. But in all there was much artistic finish about her work.

Miss Anderson's group of songs was well rendered and well received. Her enunciation and expression are to be highly commended.

The gem of the programme was the exquisite Brahms composition, which gives a contrast to the excellent advantage on the low tones. Schubert's "Helden Rose" was a dainty number that won applause. For an encore number Miss Anderson sang a beautiful little sketch, "My Treasure," by Travels, that won warm applause.

A composition, "Lullaby," written by Edward Kimball of Salt Lake, which gave Miss Anderson fine scope on her lower tones, was decidedly marred by too heavy accompaniment, organ, piano and violin being used.

The work of the tubercular choir, under Professor Evan Stephens, was admirable. Particularly in the gypsy love song of Horace Ehnig, Mr. Ehnig has a splendid voice with a quality of sympathy not often found in the deeper male voices.

Edward Welles as usual captured the audience. He played the "Mrs. Housie" by Ernst, and for an encore "Mazurka de Caprice" by Muska. His interpretation of both numbers was characterized by feeling, superb technique and artistic finish.

The great organ, under J. J. McClellan's skillful fingers, was the largest audience. His rendering of the Wagner number was beautiful. His playing of the organ for the entire programme was artistically perfect.

The concert closed with Miss Anderson's singing of Handel's "Largo," in which her voice blended effectively with the organ accompaniment.

The young singer has a combination of gifts that with hard study and application will bring the reward of a brilliant career.

"The Merry-makers," a comic opera with plenty of dash, opened at the Lyric this afternoon and evening.

Florence Roberts' engagement at the Theatre in "Ann La Mont" will close with afternoon and evening performances today.

"East Lynne" will be presented twice today at the Grand. The night performance will close the engagement.

JOHN BURNS IN TOWN.

British Labor Leader in Parliament Visits City.

John Burns, M. P., the British labor leader, who has fought for the masses in parliament during recent years, spent yesterday in Salt Lake. He met a number of friends, who took him about the city. During the day, Burns met President Joseph F. Smith, and other Mormon church officials, and was well supplied with literature from that institution's press.

Walter G. Tuttle, who had met Mr. Burns while the latter was crossing the Atlantic, had the labor leader in charge.

KEETHEL DENIES GUILT. Is Formally Charged With Murder of Son-in-Law.

Albert Keethel, charged with the murder of Frank Duvall, was arraigned yesterday morning before Judge C. B. Diehl and entered a plea of not guilty. Before the arraignment, Attorney Walter W. Little has entered a plea of not guilty for the defendant. Attorney Little asked that the preliminary hearing be set for Oct. 12, and that the case be heard before Judge J. J. Whitaker.

CURES CATARRH.

DEAFNESS.

One Week's Use of Hyomei Did More Than Six Months' Treatment by Specialists.

In the treatment of deafness, which is often a result of catarrh, Hyomei acts almost immediately upon the inflamed membrane and the hearing begins to return at once. A few days' treatment will bring relief, and in three or four weeks, according to the severity of the case, a cure will be accomplished.

Miss Meeks of Mattewan, N. Y., says: "Hyomei is truly wonderful. I have used it but a short time and see a great change in my condition. My hearing is improving rapidly, and I had no idea I would improve so rapidly in so short a time. My breath, which was very offensive to myself and others, has lost its bad odor entirely. I have spent a great deal of money with catarrh specialists, and can truly say that six months of their treatment is not equal to one month of Hyomei."

F. C. Schramm is selling Hyomei upon the unusual plan of agreeing to return the money if the medicine does not cure.

A complete outfit costs only \$1.00, and consists of an inhaler that can be carried in the vest pocket, a medicine dropper, and a bottle of Hyomei. The inhaler will last a lifetime and there is enough Hyomei for several weeks' treatment. Additional bottles of Hyomei can be procured for 50 cents. Compare this small expense with the fees charged by specialists, and then remember that if Hyomei does not cure, F. C. Schramm will return your money.

What other treatment for catarrh and catarrhal colds is sold in this way?

For sale by F. C. Schramm, corner First South and Main streets, "Where the cars stop."

SAN PETE POLITICS.

Candidates Are Beginning to Plume Themselves for the Race.

Manit, Oct. 6.—Politics are beginning to warm up a little for the municipal election to be held in November. A primary has been called by the Republican chairman, Alfred Alder, to be held Oct. 12, and the selection of candidates for mayor and aldermen will be made at that time. As to the candidates for mayor, there seems to be only one advocated by the Republicans, and that is the present incumbent, Mayor L. R. Anderson, who is the choice, will accept is a question. If he does not accept, it is likely that P. P. Dyrreng and Alfred Alder will take a hand in getting the honor. There will possibly be others who will be placed in nomination for mayor, as there are still factions in the Republican ranks which will more than likely be felt in the city campaign.

J. M. Burns and Bryant Harmon are understood to be candidates for city marshal. Mr. Harmon is the present incumbent. For city recorder the present incumbent, J. Nelson, is a candidate for re-nomination. He is a pretty good fellow, but there may be others who are anxious for the position who will be named at the primary.

It is not unlikely that the present Republican ticket will be defeated, as there are still factions in the Republican ranks which will more than likely be felt in the city campaign.

The Democracy of Manit will likely wait to see what the Republicans do at their primary before they will place in the field a strong ticket, as there are good hopes for success if the right men are named.

John Hall, the present Republican treasurer, will likely be named at the primary without opposition.
